So you want to work out an epic rainbow shovel right? Well, it won't be easy! You will need to collect a lot of custom items and accessories and you will have to craft items on 5x5 craft mesh! Crazy! Believe me though, it's 100% worth! Download this map to embark on a survival/puzzle adventure that will guide you into developing the most op shovel in the game! Click here to see the map behind the scenes! Thanks to everyone who played my previous cards and all the YouTubers who had already played this before it came out! If you're a YouTuber and you're looking forward to playing my cards 2 weeks before their release, be sure to join my contention server here: I'm also getting myself into developing the game and I'm launching my first actual game made by me! If you want to know more about this, join our encoding strife: can you escape from 10 different prisons? Find out in this map to voice with a twist at the end! A floor full of random blocks that do different things... Can you get to the other side? What's the right thing to do? Find out on this mystical map with a twist! Do you want grief? This card is made for you! Place/Break Block ChallengeA is a new challenge that will make you lose your hours on your watch while trying to get the best result! Do you want to make a map of the parkour map? This editor will help you! Many mysteries about Minecraft are contained on this map! This card is bad! Don't download it! The sequel unlinked, still unrelated! Everything you see on this puzzle map has only one thing to do with the fact that it is not connected! Mr. Parkour's sequel! A cool adventure will take place! Can you find all four power buttons? Don't rage, or Mr. Parkour won't be happy with you! Escape these puzzle levels in the most thoughtless way! The only Minecraft card with 100% natural drips! These are the cards I posted on minecraftmaps.com! They played famous YouTubers such as Logdotzip, Captainsparklez and PopularMMOs! The dishonest prison map is another conundrum, a prison card from the creator of Nico\_The\_Pro. This map is designed for Minecraft 1.12.2, so we recommend playing this map only in this version. Other versions may not work properly. Anyway, in this unjust prison first you look at the creator of this amazing map. We believe you've heard Nico\_The\_Pro and you already have to try out your prison escape map map here. When you turn around, don't open your chest in front of you. I just don't know. I know this is not very helpful advice, so I'm sure you'll find out what happens if you open this breast. Do you think you can escape from prison? This is another map of an unfair series. The goal of this game is obvious to escape from prison. On every corner you are waiting for unfair trolls. If you are what you are good at escaping from prison, download this map here Enjoy on this map. Happy running and jumping. Screenshots of the Official Official's Unfair Prison Card Unfair prison mapIf you get stuck, you can check out this walkthrough. NotesPlay this game is only in Minecraft 1.12.2, it may not work properly on other versions than it does not cheat Set your distance rendering until at least 12St as to install an unfair prison card1. Find and open the Minecraft app folder. - Windows starts with a start menu and broadcasts %appdata%, and then clicks on Run. - OSX (MAC) open Finder, hold Alt and click Go, then click on the library at the top bar menu. Now open the Applicaion Support folder and search for Minecraft. - Linux (most distributions), Minecraft folder is on /home/yourusername/.minecraft (point (.) folder hidden catalog on Linux, so click CtrlH to untangle the folder, or check in file placements under the guise or settings) 3. Copy the card file that you just downloaded into the saves folder inside the Minecraft folder. Excerpt from the rar/zip archive. The card must be extracted to save the folder and contain its subfonder. 4. Run Minecraft and select Singleplayer mode and select an unfair prison map 5. Enjoy in this puzzle escape game Homepage Minecraft Maps Pickax quest Map 1.13.1/1.13 Map Types: Adventure Author: Nico\_The\_Pro | September 25, 2018 | 13,685 views picax quest map 1.13.1/1.13 for minecraft is an adventure map created Nico\_The\_Pro. You start with the worst pick ever. Could you study all four different dimensions with this bad pickaxe and find the best pickaxe? The ultimate rainbow pickaxe awaits you. This card can take about 20 minutes. Download the map below and start an adventure. Screenshots: Notes: Please don't play on any other version or it may not work! You have to set the render distance to 12 or top. How to install: Download the map here below. Remove the file you just downloaded. Hold the Windows key, then press the R key on the keyboard (or you can press Start, then enter runinto search, then click Run) Type appdata% in the Run program, then click Enter. Open .minecraft folder and then open saves folder. Drag the recovered card folder you made in Step 2 into the savings folder. Start Minecraft, the map is in Singleplay mode. Enjoy and play! Picax quest Map Download Links: For Minecraft 1.13.1/1.13 Download from Server 1. - Download from Server 2 Tags: Adventure MapsMinecraft 1.13.2 Maps Its Time for Your Biggest Challenge Yet... passing through the door back and forth a bunch of times! A what? Don't you think it's going to be hard? Maybe I wasn't clear... we're talking about an unfair door! Are you ready, for 20 different stages, 20 different times when you will cross the same door, but you get trolled in a completely different and funny way? Check out the map trailer! In addition, this card has: - built-in speedrun mode, so you can try and Winning the card as fast as possible! (Check my differences to keep track of recent times) - an extra Secret challenge that will tease you to repeat Until you find a way to unlock the final prize card! Are you stuck or do you just want to see how fast I can beat my own card? You can check out the step-by-step map guide/speedrun here! Finally, once you beat the card, if you're interested in what my thought process was when creating it, you can check out the card behind the scenes video! - This card contains a built-in resource package for extra trolliness! If you need to put it on the server though, you can download it separately here! - This card should be multiplayer compatible! - It takes about 20-40 minutes to complete (depending on how unfair you are) if you want to know more about how these cards are made, you can always check out my Youtube channel! As always, thanks to all the YouTubers who played my past cards! If someone is interested in playing this, make sure to post the video in the comments below or send it to me for a disagreement (NICO\_THE\_PRO 5337). I'd like to see it! Escape the prison puzzle to avoid the prison map with a twist at the end! I'm sure there will be part 2 of this card, so be prepared for that! I dedicate this card to everyone who played my previous cards and on all YouTubers! This map contains: 10 prisons. Escapist features such as glasses that make you see where the guards are located and that will eventually break if you get too many hits. More features such as blocks that fall when hit by a bow. Voice. 1 Reviews Pour Une map puzzle, l'aspect go est trop présent (notamment au deuxi'eme niveau). Map details Minecraft version: 1.12.2 Player (s): Solo Category: Play Rating: Check the language of the map: Map of the State This map has been verified by our staff and the community. It is fully functional. This map can be played in ranked mode. Your performances will be saved and added to your profile. Are you an author?
